.....

The snowflake reminds us that within each of us there is intricate value, especially to those we love and who love us. This Christmas you can honor a loved one with a tax deductible donation of \$25.00 or more to the Community Pregnancy Center of Mooresville. We will send, on your behalf, a beautiful crocheted snowflake ornament to the individual or family conveying your recognition and remembrance this holiday season. The dollar amount of your gift will remain confidential.

With your help, we all will be blessed! Your commemorative gifts enable the Community Pregnancy Center to make a real difference in the lives of women and children who need your help. We can do more together than we can ever do alone. No other gift can accomplish so much.
